Jim Dincuff, President and members of the Clinton Township Board of Education

Lebanon, NJ 08833 (via e-mail only to adelsordi@ctsd.k12.nj.us)

Dear President Dincuff and Board members:

As you are aware, I chair the New Jersey Libertarian Party's Open Government Advocacy Project which seeks to increase governmental openness and accountability, especially at the local level.

I have drafted a lawsuit that I intend to file unless the Board updates the manner in which it moves to go into closed or executive session. My draft lawsuit is available on-line here: <http://ogtf.lpcnj.org/2012/2012122Up//CTBOEComplaint1.pdf>

I seek compliance, not a lawsuit, so I ask that the Board discuss this issue at its May 14, 2012 meeting and notify me, within a few days thereafter, as to whether it is willing to change its closed session motion/resolution procedure. The best outcome, in my view, would be if the Board would agree, going forward, to use a "model form" of resolution that I have drafted and uploaded here:  
<http://ogtf.lpcnj.org/2012/2012122Up//ModelResolution.doc>

Thank you for your attention to this matter and I look forward to your response.

Very truly yours,

John Paff, Chairman  
New Jersey Libertarian Party's  
Open Government Advocacy Project
